

SHINGLETON FOREST MANAGEMENT UNIT
COMPARTMENT REVIEW CHANGES
2007 YOY
12-16-05

Compartment 001:

- Put trail label on map

Compartment 015:

- Stand 35 – (because of wood turtles) can't operate May thru August E side of stand
- Lay road out on the ground – evaluate route for survey needs then

Compartment 026:

- Stands 24,19 – need map changes

Compartment 035:

- Stands 68,69,70 – change to Q3s
- Stand 33 – change treatment period to 1, add comments to OIPC – evaluate cutting portion of stand next decade
- Stands 16,19,28 – no operations May thru August because of wood turtles
- Need to get corner set (survey request) – check possible gate on state land

Compartment 039:

- Stand 12 – not SCA
- **Bob B** will put engineering request together (with copy of old request). Need justification for doing through t-sale.

Compartment 065:

- Stand 72 – drop SCA
- All stands being cut - put operations “caution” in – prefer to cut in summer due to snowmobile trail
- Stands 19,22 – re-word restrictions
- Stands 19, 42 – plant acorns as well as hemlock & oak

Compartment 069:

- No Changes

Compartment 075:

- Stands 27,32 – check site index codes
- Stand 26 – change to thinning
- Stands 6,45 – re-route trail during harvesting operations

Compartment 083:

- Stand 87 – drop burn codes
- Change comments regarding “no recreational facility” to trail thru compartment

Compartment 094:

- All POG – **Terry (& Craig) will get with Bob B.** to come up with correct verbiage for comments.
- Stands 76,77 – hold cut until stand 71 is ready
- On description sheet, strike comment regarding “no recreational facility”

Compartment 108:

- Any stands along the river – add stand condition 8
- Stands 15,29 (M4s) – schedule for opening maintenance. MO = grass
- Add recreational facility - campground

Compartment 116:

- Cut scotch pine along crossings along M-28 corridor in out of entry compartments. **Kris** to update OIPC and document this decision in files
- Stand 75 – we don’t own right-of-way. Check with sign shop - **need to check this out.**

Compartment 129:

- Stand 62 – any additional planting to be JP - areas replanted to J will be typed out and a new stand created.
- Add snowmobile symbol to map.

Compartment 150:

- No Changes

Compartment 162:

- No Changes

Compartment 166:

- Stand 31 – **check into location of osprey nest** – work around it.

Compartment 171:

- No Changes

Compartment 184:

- Tweak SCA conditions of stands – use deer yard layer

Compartment 195:

- Sands 9,10,11 – no cutting December thru March, unless site conditions will only allow a winter cut. . If winter cut, do late enough to not draw deer across highway
- Deeryards – should be SCA

Compartment 196:

- Need to have some map update – indicate SCA area
- No cutting December thru March, unless site conditions will only allow a winter cut. If winter cut, do late enough to not draw deer across highway

Compartment 102 – different entry year:

- 119 acres – remove diseased beech - plant WP, Oak, & Hemlock
- only sell to D.O.C.
- Can't move, wood for one year after cutting.\
- Stands 60,63,17,21
- **Bob Heyd** will look into this

Misc. Notes:

- John Ries' letter needs to be entered into OI?
- SCA if MNFI?
- Deer yard overlay - depends if majority of stand is in or out
- Discussed Carley property acquisition. It goes into adjacent compartment – WLD hopes to fly in '06. OK'd restoration work (planting) in interim.

For changes on the description sheet – please make changes in your WORD document and print an amended copy for file and 2017 YOЕ.
